REQUEST FOR CERTIFICATE OF CORRECTION

Attention: Certificate of Correction Branch

Dear Sir:

Upon reviewing the Certificate Of Correction issued 07 February 2006 in the above-identified patent, Patentee noted a typographical error which should be corrected. A copy of the Certificate Of Correction is attached.

In the Certificate Of Correction issued 07 February 2006, the deletion language of column 17, line 16, does not reflect the fact that the word "Interface" was capitalized. Therefore, the deletion and insertion language is exactly the same, creating confusion on the part of the reader. The error was not in the original Certificate Of Correction as filed by Patentee; accordingly no fee is required. Transmitted herewith is a proposed second Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested second Certificate of Correction.

Applicant believes no fee is due with this request. However, if a fee is due, please charge our Deposit Account No. 50-1848, under Order No. 013212.0118N3US from which the undersigned is authorized to draw.

Respectfully submitted,
PATTON BOGGS LLP
